Information

This document is to be filled out in order to get the event on to the official IWWF Region E&A Wakeboard Boat **Calendar**, to get the event homologated, and/or get the event accounted for into the IWWF Region E&A Wakeboard Boat **Ranking List**.

For all event that is included in the **Calendar** fees will apply according to the IWWF Region E&A Wakeboard Boat Additional **Rules** and the IWWF Region E&A **Bye Laws**.

For **cash price events** fees will apply according to the IWWF Region E&A Wakeboard Boat Additional **Rules** and the IWWF Region E&A **Bye Laws**.

There are rules governing the **Ranking List** in the **Rules**. But in order for the results from an event to be accounted for into the **Ranking List**, the event will have to be homologated, all riders will have to hold an international license, and the results will have to be sent to the IWWF Region E&A Wakeboard Boat Council

National Federations can order the wakeboard licenses through the E&A IWWF Wakeboard Council website www.wakeboardcouncil.com, and they can get the password by asking the E&A IWWF bureau. From 2004 the license is free of charge.

In order for a wakeboard event to be placed on the Official IWWF Region E&A Wakeboard Boat Calendar and have the event included within the E&A Wakeboard Boat Ranking list as a qualifying event, 2 documents need to be completed, this form "Pre Event Homologation Form" and also the "Post Event Homologation Form" after the event, together with the results.

It is the responsibility of the event organizer to complete and submit the pre event form no later than 8 weeks before the event.

This pre event homologation form needs to be send to:
